

# Early RISers

An innovative learning program  
for preschool-aged children

Are you a parent/guardian of a preschool-aged child? Join Early RISers and be **equipped** with knowledge about your child's **learning and development**.

- Play-based and child-centred
- Receive support from a wide variety of early childhood professionals
- 2 hours/week over ten weeks
- Free spots available
- Unique technology-embracing program

“

*Early RISers has helped my family get a sense of direction on how to raise our daughter. The educators and specialists were welcoming, kind and well versed in their field so much so that it positively impacted the way my daughter engaged in the class. My daughter enjoyed doing various activities at the centre and the team was very keen on not forcing the children to participate in different activities.*

-Early RISers parent of 4-year-old

LDS

**Learn. Develop. Succeed.**

Specialized learning support for ages 3 - adult.

New cohorts start **January 2024 and April 2024.**
