

RISE Now

Achieve your learning, education or employment goals with our intensive, individualized support.

This **adult learning** program pairs you with a specialized, compassionate instructor to **work towards your education or career goals**. Get the support you need!

- Support undertaking courses or training like adult education, university courses, or pre-employment programs
- Explicit instruction to support reading, writing and math skills
- Support for your entry or return to the workforce with resume and cover letter development and interviewing skills
- Accessible support with fees on a sliding scale

“

As someone who has dyslexia, I was told as a child this is what you have, and your life is just going to be hard. It wasn't until I was older that I realized there's help, there's LDS, and there doesn't have to be the shame factor.

-RISE Now student and adult learner

Learn. Develop. Succeed.

Specialized learning support for ages 3 - adult.
