

RISE at Home

Build foundational academic skills in literacy and math with intensive, individualized support delivered virtually across Canada.

Our RISE (Research-informed Individualized Student Education) at Home program combines **online learning** with **personalized instruction**, improving students' independence, confidence, and academic success by addressing identified skill gaps and learning challenges.

- Learning support for students **ages 5-18** with suspected or diagnosed **learning differences** like ADHD, dyslexia, dyscalculia and more.
- Instructors trained in online instruction to ensure your child's learning experience is a success.
- **Sliding scale fees** to help you access the learning your child deserves.

“

RISE instruction has helped my son so much and we are very grateful to LDS for all of the help and support our family has received. LDS really is such a gem, thank you for all that you do for the kids and their families!

Parent of grade 4 LDS student

Learn. Develop. Succeed.

Specialized learning support for ages 3 - adult.
