

Learn. Develop. Succeed.

FREE WORKSHOP

Supporting students with learning differences as they transition to high school

The transition to high school is a significant change for families.

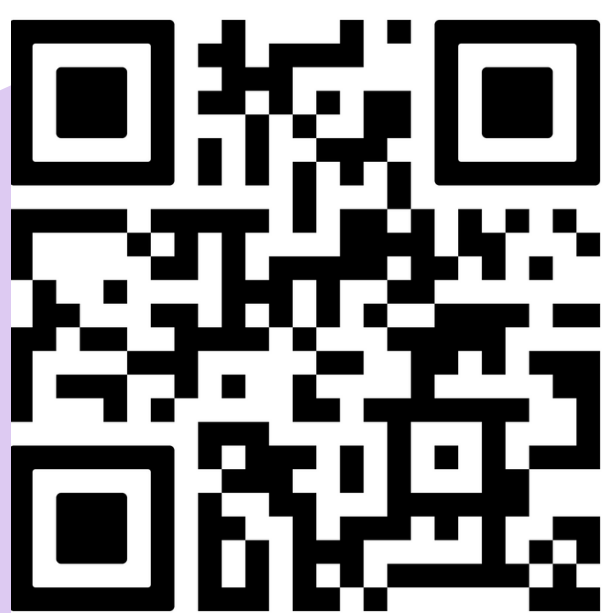

How will you support your child in this transition? Where can you go with concerns about your child's learning, services, and support?

This workshop is the place to begin. Get help navigating this transition and tools to be the best possible support for grade 8 and beyond.

May 8, 2024 @ 7-8pm PT
