BRIGHT FUTURES BUILDER

**TOGETHER, WE'LL RISE TO THE TOP AND SUPPORT
VULNERABLE CHILDREN AND YOUTH.**

**Sunday, June 15, 2025
Grouse Grind**

Transforming learning and life outcomes

LDS - Learn. Develop. Succeed. is a nonprofit charity with 55 years of experience providing expert learning support to children and youth with learning and brain-based differences, such as dyslexia, ADHD, and autism.

Through our neuroaffirming, technology-embracing one-to-one and group programs, LDS empowers unique learners to recognize their strengths, gain confidence, and achieve lifelong confidence and success. Our expert team is helping students **progress on average up to an astounding 1.5 grade levels each year with significant increases in confidence and self-esteem!**

With the ongoing generosity of our supporters, our **LDS Bright Futures Bursary Fund** continues to remove barriers for families in need as we transform the learning and life outcomes of over 1000 children and youth this year.

74%

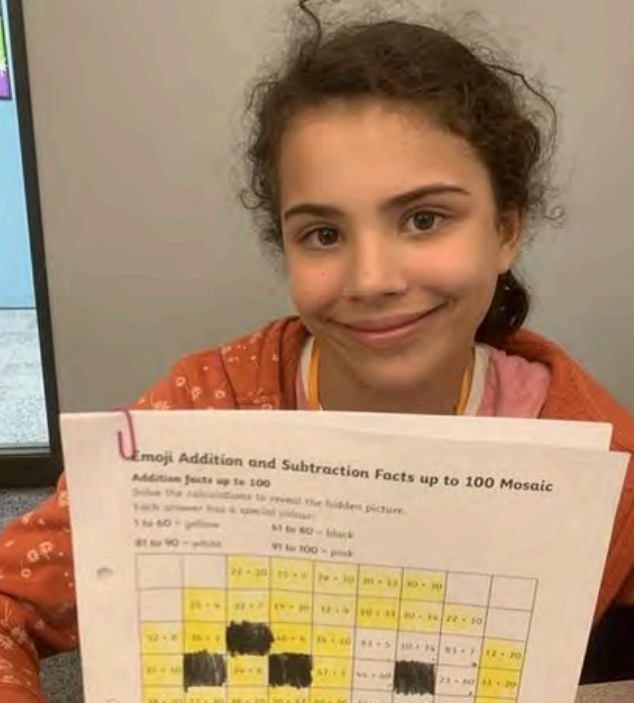

of LDS learners need our Bright Futures Bursary Fund to access the learning support they need and deserve.

350%

growth in learners we serve across our province and country over the past 5 years

LDS provides the most comprehensive and responsive support services I'm aware of outside schools and in communities.

Dr. Nancy Perry

Professor and Associate Dean, Research, Department of Education, University of British Columbia

WE INVITE YOU TO BE A LEADER ON THIS DAY OF Wellness, Community Building, and Empowering Inclusion

Being a Bright Futures Builder enables us to transform the lives of many more neurodivergent children and youth. All proceeds from our event go to our **LDS Bright Futures Bursary Fund**, which makes our critical learning and social-emotional support accessible to vulnerable learners in our communities. Your support of our life-changing programs will **help children and youth with learning differences achieve independence, confidence, and lifelong success.**

Team building

Join us for a day of team building, wellness, community engagement, and giving back. By conquering the Grouse Grind together, you'll celebrate unique learners, help us build bright futures, and strengthen your team's bond.

At the summit, you'll connect with other inclusive businesses, prominent community members, and allies in our one-of-a-kind **Neurodivergent Wellness Fair** and reception for an unforgettable lunch, networking, and learning opportunity.

Together, we'll RISE to the Top, create lasting change, and many more bright futures.

Event Schedule

- 8:15 AM Registration opens
- 9:00 AM Welcome, warm up, visualization, and coaching
- 9:30 AM Hike begins with staggered starts
- 10:30 AM Neurodivergent Wellness Fair, buffet reception, celebration, and more!
- 12:30 PM Awards presentation and closing

Build Bright Futures

Bring your team to this fun, impactful event and help create bright futures for vulnerable children and youth. The benefits listed below are just the start. We are excited to tailor unique opportunities that highlight your brand and support of LDS.

Full event tickets include a gondola pass, a technical shirt, access to our Neurodivergent Wellness Fair, and a beautiful lunch reception on Grouse Mountain. Your participation will make a lasting impact while showcasing your team's commitment to inclusivity and community.

For lead sponsor profile opportunities, such as your logo on our event technical gear, speaking opportunities, accommodating your unique team, and more, please contact **Katherine Withnall** at RISEtotheTop@ldsociety.ca.

Thank you

Like you, we believe that all children and youth should have access to expert, specialized learning support, regardless of their financial circumstances.

Thanks to sponsors and bright future builders like you, hundreds more students in the lower mainland and across BC will have access to the critical learning supports they need this year.

Together we are making a transformative difference in the lives of children and youth across BC.
