# Transforming learning and life outcomes

LDS - Learn. Develop. Succeed. is a nonprofit charity with 55 years of experience providing expert learning support to children, youth, and adults with learning and brain-based differences, such as dyslexia, ADHD, and autism.

Through our neuroaffirming, technology-embracing one-to-one and group programs, LDS empowers unique learners to recognize their strengths, gain confidence, and achieve lifelong confidence and success. Our expert team is helping students **progress on average up to an astounding 1.5 grade levels each year with significant increases in confidence and self-esteem!**

With the ongoing generosity of our supporters, our **LDS Bright Futures Bursary Fund** continues to remove barriers for families in need as we transform the learning and life outcomes of over 1,000 children and youth this year.

74%

of LDS learners need our LDS Bright Futures Bursary Fund to access the learning support they need and deserve.

350%

growth in learners we serve across our province and country over the past 6 years

“

We've been going to LDS for two years now. The extra support, patience and different ways of teaching have my kids feeling like they "Can" and "Will". I've really enjoyed being a part of the community at LDS and feel amazing that my children have the opportunity to be excited about learning and overcome any barriers. Thank you LDS.

WE INVITE YOU TO BE A LEADER ON THIS DAY OF

# Wellness, Community Building, and Empowering Inclusion

Join us as a **Bright Futures Builder** and help create lasting change for neurodivergent children, youth, and adults. Through your sponsorship, you'll support the **LDS Bright Futures Bursary Fund**, which makes transformative learning and social-emotional programs accessible to those who need them most. Your support of our life-changing programs will help learners achieve **independence, confidence, and lifelong success**.

## Team building

Join us for a day of team building, wellness, community engagement, and giving back. By conquering the Grouse Grind together, you'll celebrate unique learners, help us build bright futures, and strengthen your team's bond.

At the summit, you'll connect with other inclusive businesses, prominent community members, and allies at our **Neurodivergent Wellness Fair** and reception for an unforgettable lunch, networking, and learning opportunity.

Together, we'll **RISE to the Top**, create lasting change, and create many more bright futures.

# RISE to the Top 2025 Highlights

Our inaugural **RISE to the Top** event brought together over 350 community members to raise awareness, foster inclusion, and build brighter futures for neurodivergent learners.

Highlights included a vibrant fun run, hike, and gondola ride, Canada's First **Neurodivergent Wellness Fair**, and custom technical shirts designed by award-winning artist Carson Ting. We partnered with **20 sponsors** and **13 prize supporters** to make this day possible and we're excited to grow this impact in 2026! Will you **RISE to the Top** with us?

The event was amazing! I can see a great deal of time and attention was put into this fundraiser. I got to see the community LDS has provided to not just families but partnerships. I walked away [from] the Neurodivergent Fair with a wealth of information as well as some goodies I purchased from merchants. The food was amazing and the raffle draw was to die for...Thomas Haas gift card. The event was so incredible that I said to my husband, I'm going to try to apply for a job there in the future.

# Thank you

Like you, we believe that all children, youth, and adults should have access to expert, specialized learning support, regardless of their financial circumstances.

Thanks to sponsors and Bright Futures Builders like you, hundreds more students in the lower mainland and across BC will have access to the critical learning supports they need this year.

Together we are making a transformative difference in the lives of neurodivergent learners across BC.
