

# Welcome to LDS East Vancouver

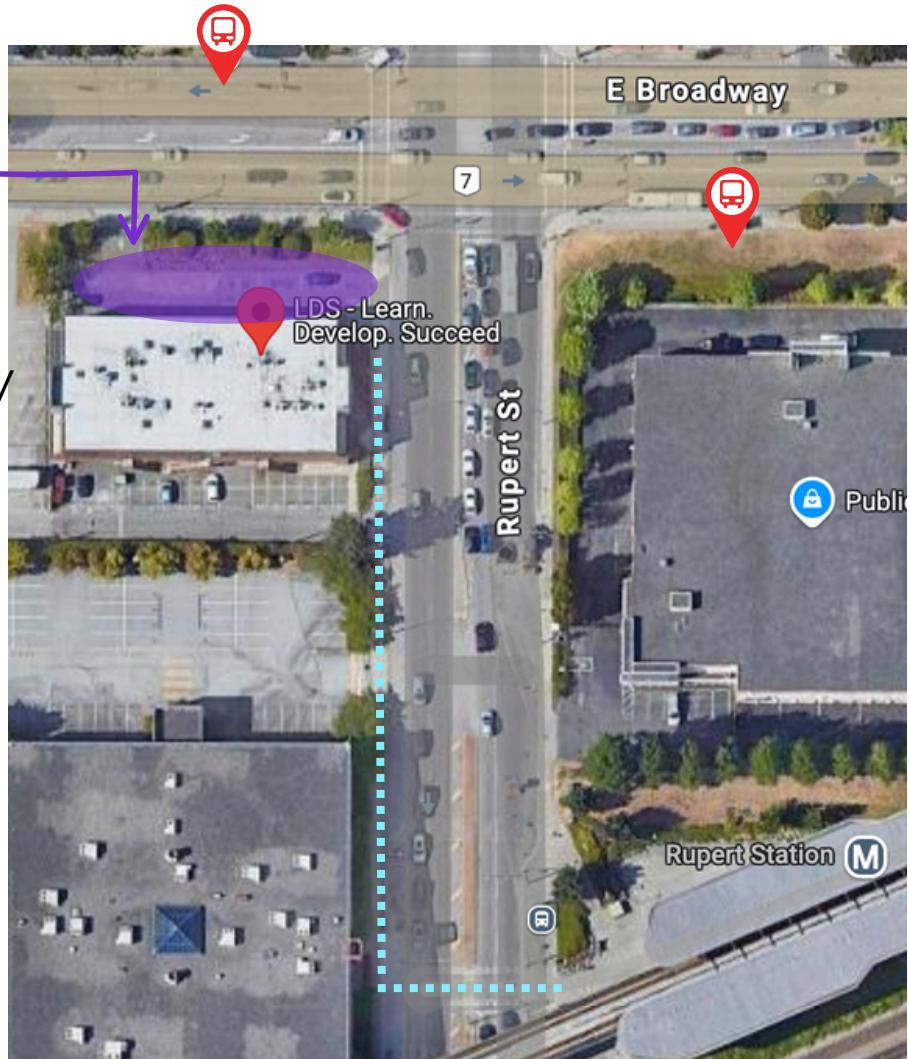

This guide will help you understand what to expect when you come to the East Vancouver Learning Centre

# LDS' East Vancouver office is at **3292 E Broadway** (East Broadway & Rupert St.)

You can only enter the parking lot when driving east on Broadway.

You can park in any spot labelled 'LDS' on the ground.

It is a 3–5-minute walk from the Rupert Skytrain Station or the 99 bus.

Sometimes, LDS Access is parked outside!

Come in through the front door. You will walk into the lobby.

You may see a staff member sitting at the front desk. If you have an appointment, tell them your name and who you are meeting.

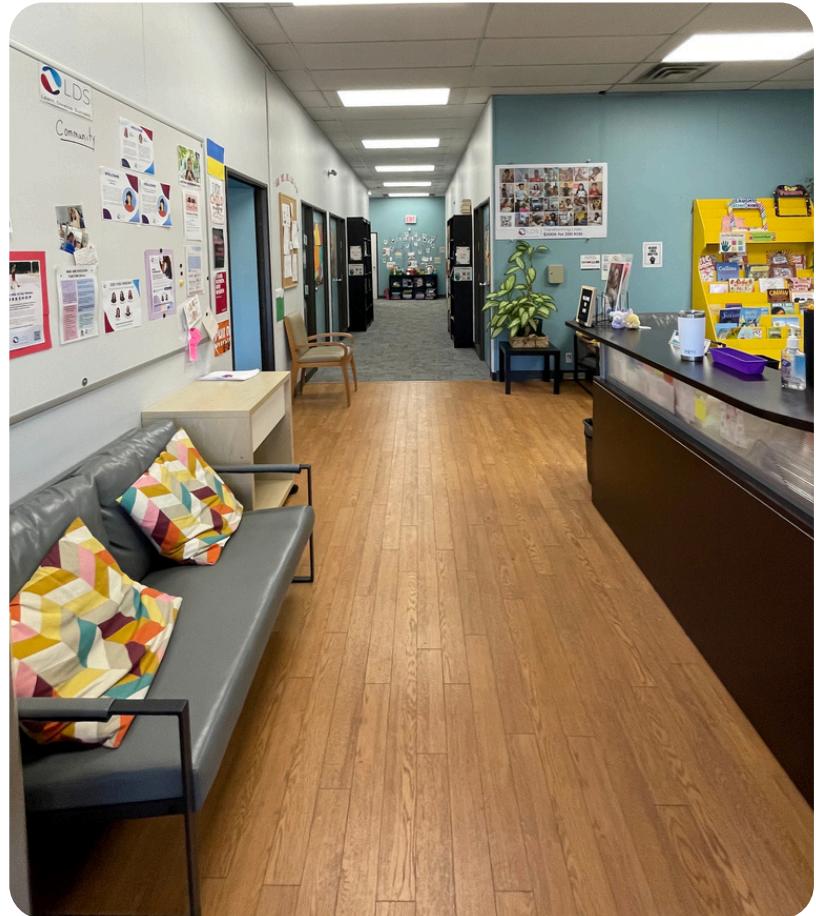

If no one is there, you can ring the doorbell on the inner door, and someone will come to greet you.

If you're here for a one-to-one session or a group program, your instructor or program leader will meet you in the lobby.

Please arrive no more than 5 minutes early!

The lobby can get busy, especially on weekday evenings during the school year.

### **For Parents and Caregivers:**

If you're waiting during your child's session, you can:

- Stay in the lobby
- Wait in your vehicle
- Leave and come back within 5 minutes of pick-up

If other children are with you, please help keep the lobby calm and quiet. It is small and close to learning spaces.

There is an Assistive Technology (AT) Studio near the lobby.

You might use this room for learning with a smart board or other tools.

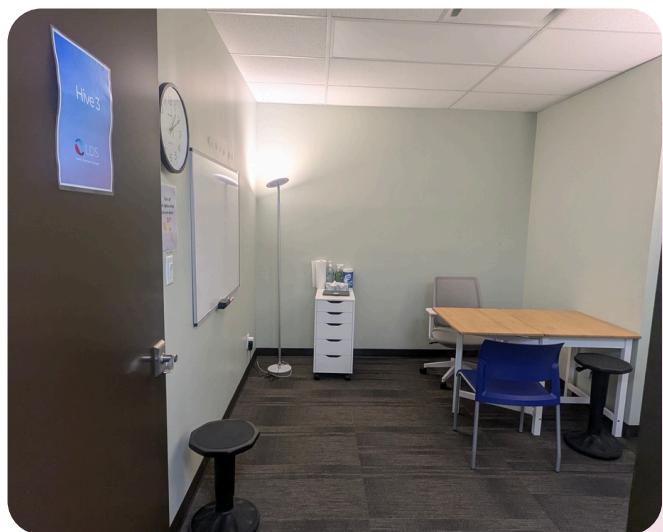

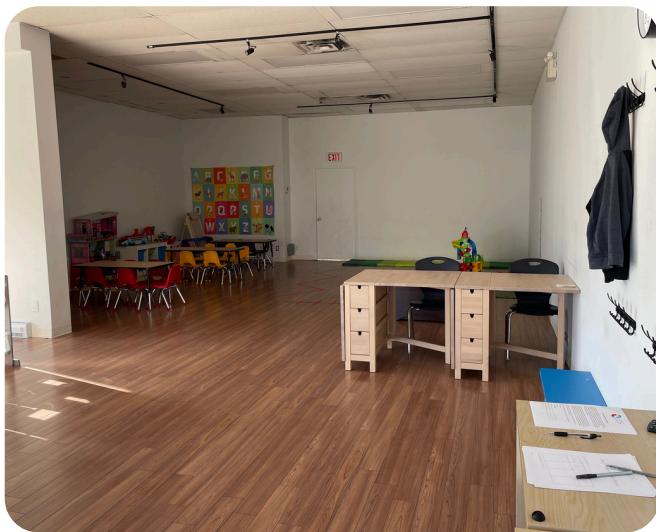

If you're waiting in the AT Studio or lobby, please stay quiet—others may be learning nearby.

The East Vancouver Learning Centre has many different instruction rooms and program spaces.

Your session or program could be in any of these places:

- **Upstairs instruction rooms**
- **Pods**
- **Early RISErs / Summer Camp room**
- **HIVE instruction rooms (downstairs)**

There are four washrooms upstairs and one washroom downstairs.

The washrooms are for all genders.

There is also a kitchenette upstairs and downstairs to fill your water bottle or wash your hands.

# **LDS' learning spaces are sensory-friendly.**

LDS is scent-free!  
Please don't wear perfume or  
scented products.

All the instruction rooms have lamps  
if the overhead lights are too bright.

LDS has sensory tools like fidgets, weighted  
toys, and wobble stools available.

## **Building Accessibility Information:**

Some parts of the building are not wheelchair accessible.

There is a ramp to get onto the sidewalk at the end of the parking lot.

The front door is not automatic, and there are two doors to get inside.

Unfortunately, the washrooms and some doorways may not fit all mobility devices.

Please call before your visit if you need assistance.  
The staff will do their best to support you.

**At LDS, everyone is welcome and all learners should feel safe and supported.**

**Please be kind and respectful to all staff and learners!**
